

Graphic Design Internship-Summer 2020

Corinthian Events, centrally located in downtown Boston, is accepting applications to its Internship Program. We are a total event planning company specializing in Special Events, Meetings & Conferences and Destination Management. Since 2000 we've been planning memorable events and winning clients over through our detailed, service-oriented approach coupled with an honest, trustworthy and approachable demeanor. Our office is not divided into sales and operations, meaning clients will work with one primary contact from the inception of a program through the wrap-up ensuring the mastery of even the smallest detail. Internally, we work as a team developing the best creative concepts to bring our client's vision to life.

This internship is for a Junior or Senior currently pursuing a Graphic Design undergraduate degree interested in building real-world graphic design experience with an award-winning team. We're looking for a flexible and open-minded intern with fresh, creative ideas and an excellent eye for detail.
