

Stilisti Salon

Safety Protocols and PPE

(617-262-2234)

Prior to your next appointment please review the following protocols to control the spread of COVID-19

Give us a call

Prior to coming into the salon please give us a call (617-262-2234) so we can inform your stylist and make sure their chair is sanitized and available.

*Make sure to stop at the **STOP** sign as well!*

Health Check

Upon arrival there is a quick health screening (temperature and preliminary questions) to ensure the safety of our staff and fellow clients.

Masks are required

We always require a mask to be properly worn over nose and mouth at **all times** - medical or cloth masks are fine.

Disposable masks are available if you want to avoid getting color on a personal mask.

Sanitation

Acrylic protection barriers are in place throughout the salon for ensuring separation and protection. These barriers are present at the front desk and between sinks in the shampoo area.

In addition to our *RenewAire* air filtration system, Stilisti is proud to be the first salon in MA with the *Synexis* air purifier.

Using hydrogen peroxide already found in the lungs, *Synexis* filters the air and increases the hydrogen peroxide levels to naturally disinfect the air.

Payment and Cancellations

Contactless payment will be completed through a card on file which can be updated via phone or in person

Any schedule cancellations/changes made within 24 hours of your appointment will incur the **full-service fee**.

If you are *feeling ill*, please let the desk or your stylist know as soon as possible, and we can reschedule you **three weeks** after your current appointment.

*We are highly suggesting tipping through **Venmo** (codes are provided at salon) however, Cash/Check tips are being accepted but there can be no change made at the desk.*

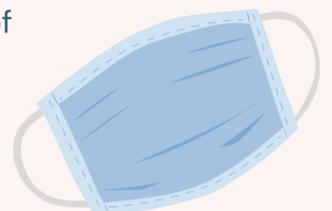

Can I bring a coffee?

You are permitted to bring a beverage if it can be consumed through a straw (which we can provide if needed) **under the bottom** your mask.

Our coffee bar, coat closet, and waiting room have all been "closed" for the time being to limit contact with others and the amount of people in the salon at one time.

*We are unable to feed any meters so please consider using the *Park Boston App**

Facility Fee

There will be an additional \$8 dollar facility fee added to any services to make sure that the salon can not only maintain but exceed the safety standards set by the state.
