AREAS OF SUPPORT

Safer and Stronger
Because of You! Help
JCDS by contributing
to operating costs...

From tents to technology, from PPE (personal protective equipment) to PD (professional development), from cleaning supplies to cleaning the air, it's a heavy financial strain to operate school during a pandemic. The load is lighter when we lift together!

We have invested in people, protocols and precautions, all of which incur expenses. It's a heavy lift, but you can help lighten the load.

Thank you!

Air Purifiers

In addition to ensuring that each classroom has proper ventilation through HVAC and open windows, we have added portable HEPA air purifiers in each classroom & office.

Upgraded Technology

Improving the WiFi and increasing the number of iPads have enabled our teachers to successfully integrate students temporarily learning from home. In accordance with our COVID Health and Safety Protocols, we want to ensure that students at home can participate in school life and that individual classes can continue to share communal experiences.

Desks

We have purchased new single-student desks for all children in grades K-8 to allow for proper social distancing in classrooms.

PPE & Cleaning Supplies

To ensure the safety of our students and teachers, masks, gloves, touch-less thermometers, isolation room equipment, hand sanitizer and dispensers, and a host of other cleaning supplies were purchased. On average, we have spent an additional \$150 per student and staff member.

New Staff

We have incurred additional staff costs, including a full-time Nurse, an Online Learning Specialist, increased cleaning staff and security, and more full and part time employees across the school.

Tents

To support the health and wellness of our students and staff, we have added four tents for outdoor learning.

COVID SAFE + STRONG AREAS OF SUPPORT

Together with you,
we will fulfill our sacred
mission...

To operate school during this challenging time requires an extraordinary investment in a variety of health and safety measures.

We invite you to help offset these costs in a way that is meaningful to you. Make your donation to JCDS via the enclosed envelope as soon as possible.

A generous donor will
match all gifts up to
\$100,000 — so YOU can
make an even bigger
difference!
