בית ספר יהודי קהילתי

Dear Friends,

We are honored to write to you on behalf of JCDS. Having moved from Israel eight years ago, JCDS has become our community in Boston – our local family. Without a doubt, there is no more caring community than JCDS, and we are so happy to be a part of it each and every day.

When we chose a school in Boston, it was important to us that our children be in an environment that maintained the connection to our family's Israeli identity while also allowing them to speak Hebrew at a high level on a daily basis. As we explored our options, we came to value the small warm community at JCDS as well as the intentionally pluralistic community, which is so rich and allows us all to find our place. We fell in love with the school from the very beginning and we feel tremendous pride when we share that our children attend JCDS.

Every day, we are grateful for the education our children are receiving, the values they are learning, and the culture they experience. We truly cannot imagine them at any other school. We are especially grateful for the commitment and hard work that the teachers and staff put into our children's education. Even in the toughest of times, at the height of the pandemic, JCDS has flourished.

We do not take this school for granted and we understand that JCDS needs our support. Every year, we contribute to the Annual Fund and we ask you to join us today with your donation. Tuition alone does not cover contribute whatever is a meaningful amount to your family and be as generous as you are able to be. **Whatever you can give is important – it all adds up.** Through our collective giving, we will:

- Support our beloved teachers and staff
- Help make JCDS accessible to families regardless of their financial background
- Ensure that the education JCDS provides continues to be innovative, rigorous, and evolving
- Equip the school with the resources to keep our children safe and healthy

If you are like us, you know that JCDS students and families benefit from a supportive and nurturing environment that educates each child as they need to be educated. You know that this education is not only world-class, but that this community is essential to your family and the larger Boston Jewish Community. Please join us in supporting our beloved school today. Through the enclosed envelope or online – invest in our school today to keep our school strong!

With deep gratitude for your support,

Galit and Lior Div Cohen
