12:00 PM via Zoom

Join Head of School, Shira Deener,
and Generations Chair, Devra Lasden, in
conversation with JCDS Board President, Dr. Rachel Fish,
as we begin our new Memory and Legacy series.

Building upon last year's successful Generations programs,
we invite you to a virtual conversation about what it means,
in the words of Lord Rabbi Jonathan Sacks z"l, to "*engrave
your values on the hearts of your children, and they on theirs.*"

Rachel will reflect on the legacy of her father, Dr. Charles Abraham Fish z"l, and invite
us to think about what values we hope to pass forward to the next generation.

At 1:15pm, immediately following our program, we will transition into a special
all-school Kabbalat Shabbat. We know you will enjoy a peek inside our community as
we sing, celebrate, and welcome Shabbat together.

**RSVP at jcdsboston.org/generations
or call 617-972-1733**

*The JCDS Generations Series welcomes grandparents,
extended family, and special friends to experience
and strengthen the life of the school.*
