

Flexible tuition amounts are determined by the Flexible Tuition Committee using FACTS Grant & Aid Assessment. Facts works with schools by assisting them to create a custom application and collect financial data so schools can make accurate award decisions based on financial need.

The deadline to complete the application is February 1, 2019. The deadline to have all required information uploaded to the FACTS site is February 14, 2019. Families who meet the deadline receive their financial aid decisions on March 8, 2019.

To apply for flexible tuition, visit <https://online.factsmgt.com/signin/3FR7W>. Sign in using your existing FACTS information or create your new online account. Once you complete the form, submit and pay the \$35 non-refundable fee.

After completing the online application, you will need to upload or fax all required supporting documentation by February 14, 2019. Uploaded documents must be in PDF format and the size of each document must be less than 20 MB. If you are unable to upload, fax the required documents to 866-315-9264. Please **do not** use your mobile device to photo copy required documents due to problems with legibility.

The following documents* are required by February 14th to complete the application process:

- Copies of all the 2018 W-2 Wage and Tax Statements for both the applicant and co-applicant. NOTE: If you are applying before you have received all the current year W-2 Wage and Tax Statements, please submit them as soon as they become available. If you file a tax return but do not have W-2 wages because you are self-employed, you will be required to submit a copy of your current year Federal Form 1040 Tax Return plus all required schedules.
