This month's Kodesh l'Kol is going on a field trip!

Through the meditative power of the nigun (wordless melody), together we will raise our voices and lift our spirits. Experience the depths and joys of communal Jewish song in a participatory musical and spiritual experience led by R. Deborah Sacks Mintz of Hadar's Rising Song Institute. This is an evening NOT TO BE MISSED!

Gatherings are held monthly, typically at the homes of JCDS families.

If you would like to host a future Kodesh l'Kol, please be in touch with Oren.

"Any ascent from one essence to another...is by means of song."

"כל בחי" העלאה ממהות למהות... הוא בעל ידי השיר."
