

### **Streamline Guidelines for Buyers:**

Based on the COVID 19 guidance from the State administration and Realtor Association, we want you to know that we have instituted the following safety practices to better protect the safety of our homebuyers and sales teams:

#### **On-Line Showings:**

- ) Our sales centers will remain open online.
- ) Homebuyers can:
  - ) Call or e-mail us for virtual viewing and purchase of new home online.

#### **On-Site Showings:**

- ) Our sales centers will be open for scheduled private appointments soon. To be placed in the line for the next available appointment:
- ) Homebuyers can:
  - ) Call or e-mail us to schedule an appointment with no more than two individuals.
  - ) If you have traveled recently, have cold or flu symptoms, or have a family member that maybe feeling ill, you are asked to visit at another time.
  - ) Visit the sales center at your scheduled time only.
  - ) Do not enter the sales center until invited in.
  - ) Don face covering (brought by buyer) and use hand sanitizer before entering.
  - ) Avoid handshakes.
  - ) Practice social distancing.
  - ) Do not touch surface including doorknobs and cabinets (ask for showcase assistance).  
Do not use bathroom.

Be advised that our sales centers and model homes are being cleaned regularly and our Sales Directors are also conducting supplemental cleanings throughout the day. If you prefer to view online, we can still facilitate the viewing and purchase.
