

# PLASTIC CORRUGATED BOXES

---

## FEATURES :

**TOUGH & DURABLE CONSTRUCTION**

**100% RECYCLABLE WITH PLASTIC #5**

**WATERPROOF**

**SPACE SAVING vs. FOAM**

**WEIGHT SAVINGS over WAXED BOXES**

## ABOUT OUR BOXES :

A durable, waterproof, lightweight, and recyclable alternative to wax and foam boxes with the ability to handle long shipping cycles, heavier loads, and be fully submerged in water without deterioration. Our plastic corrugated boxes are the strongest on the market available in multiple thicknesses and weights to match your needs. We offer the largest selection of standard fisheries plastic corrugated box constructions along with an array of customizable options. Choose either a white or black box to pop your graphics and promote your brand. All of these features along with our exceptional customer service and reliable delivery provide you with the perfect package.
