Streamline Guidelines for Buyers & Renters

Based on the COVID-19 guidance from state administration and the Realtor Association, we want you to know that we have instituted the following safety practices to better protect the safety of all buyers, renters, and our teams during onsite showings:

- o Visit during posted Open House hours with no more than three individuals. Please call ahead to let us know you are coming
- o Call or email us to schedule a private appointment with no more than three individuals.
- o If you have traveled recently, have cold or flu symptoms, or have a family member that maybe feeling ill, you are asked to visit at another time.
- o Do not enter the sales or leasing center until invited in.
- o Don face covering (brought by buyer) and use hand sanitizer before entering.
- o Avoid handshakes.
- o Practice social distancing.
- o Do not touch surface including doorknobs and cabinets (ask for showcase assistance).
- o Do not use bathroom.

Be advised that our sales and leasing centers and model homes are being cleaned regularly and our onsite teams are also conducting supplemental cleanings throughout the day. If you prefer to view online, we can still facilitate the viewing and purchase.
