# Garment Factory

## Mission & Value Proposition

At OCE, our Garment Factory delivers professional-grade sewing, embroidery, and direct to film solutions while providing meaningful work and skill-building opportunities for adults in custody. Partnering with OCE ensures high-quality, reliable apparel and textile production, helping organizations meet operational needs while supporting workforce development and positive community impact.

## The Challenge

Organizations needing apparel, uniforms, or custom textiles face common obstacles:

- Maintaining consistent quality across large production runs
- Meeting tight deadlines and on-time delivery requirements
- Managing rising labor and material costs
- Finding ethical, reliable domestic manufacturing partners
- Limited control or transparency in production processes

## Our Solution

OCE Garment Factory provides U.S.-based apparel and textile manufacturing that combines craftsmanship, precision, and consistency. From concept to finished product, our skilled teams handle high-volume sewing, embroidery, and direct to film projects while ensuring quality and timely delivery, so your organization can focus on its mission while supporting meaningful workforce programs.

### Services We Offer

- **Commercial Sewing:** Durable workwear and uniform production using established garment styles
- **Branded Embroidery:** Custom logos, patches, and stitched branding
- **Direct to Film (DTF) Printing:** High-quality, long-lasting graphic application for apparel and merchandise
- **Product Sampling:** Sample production to validate decoration and design prior to full-scale runs

### Why Partner with OCE

- **Reliable Production:** Consistent output with strict quality standards
- **Skilled Workforce:** Trained in commercial sewing, embroidery, and textile production
- **Mission-Driven Operations:** Supports work and training programs for adults in custody
- **American-Made Products:** Domestic manufacturing reduces supply chain risks
- **Scalable Solutions:** Designed for repeatable, high-volume production
- **Transparent Processes:** Clear communication and client-focused reporting

### Added Value

- Scalable production to meet growing or seasonal demands
- Full-service capabilities from fabrication to finished product
- Support for workforce development and skill-building initiatives
