

Laundry Services

Mission & Value Proposition

At OCE, we help organizations manage high-volume laundry facilities efficiently without sacrificing quality or compliance. At the same time, we provide meaningful work and skill-building opportunities for adults in custody, helping them gain real-world experience for successful reintegration. Partnering with OCE means reliable service and positive community impact.

The Challenge

Hospitals, healthcare systems, and other organizations face growing operational pressures:

- Rising labor and operational costs
- Staffing shortages and capacity limits for high-volume or specialized laundry
- Inconsistent laundry quality or delayed turnaround
- Strict hygiene, safety, and regulatory requirements
- Fragmented vendors creating inefficiencies
