

# Sign Shop

## Mission & Value Proposition

At OCE, our Sign Shop delivers high-quality, custom signage solutions for institutional, commercial, educational, and municipal clients. From durable outdoor signs to intricate indoor displays, banners, and decals, our team combines craftsmanship, precision, and attention to detail while providing meaningful work and skill-building opportunities for adults in custody. Partnering with OCE ensures professional, reliable signage that communicates your brand and message while supporting positive community impact.

## The Challenge

Organizations needing signage often face operational challenges:

- Maintaining consistent quality for indoor and outdoor signage
- Meeting tight deadlines for installation or special projects
- Rising costs for production and materials
- Sourcing ethical, dependable manufacturing partners
- Limited ability to produce custom or complex signage in-house

## Our Solution

OCE Sign Shop provides complete signage solutions that combine durability, professionalism, and customization. From concept to installation, our skilled team produces indoor and outdoor signs, traffic signage, banners, decals, and laser-engraved products that meet client specifications and regulatory requirements.

### Services We Offer

- **Indoor & Outdoor Signage:** Durable signs for offices, schools, and facilities
- **Traffic & Safety Signs:** Compliant, high-visibility signage for public areas
- **Banners & Decals:** Custom designs for branding, events, and promotions
- **Laser Engraving & Custom Projects:** Personalized products for unique needs

## Why Partner with OCE

- **Reliable Production:** Quality work delivered on time
- **Skilled Workforce:** Trained in fabrication and installation
- **Community Impact:** Supports work and training programs for adults in custody
- **Flexible Solutions:** High-volume or custom signage orders
- **Clear Communication:** Transparent, client-focused processes
- **Values-Aligned:** Ethical, high-quality manufacturing

### Added Value

- Scalable production to meet seasonal or growing demand
- Full-service capabilities from design to finished product
- Support for meaningful skill-building and workforce development programs
