

Workforce Access & Employer Solutions

Mission & Value Proposition

OCE Workforce Access & Employer Solutions connects employers with trained, dependable workers who support production, stabilization, and operational needs. Participants gain hands-on experience, verified work history, and industry-aligned skills while employers benefit from a reliable talent pipeline that strengthens operations and reduces recruiting strain.

The Challenge

Employers today face expanding workforce pressures, including:

- Persistent labor shortages and high turnover
- Rising recruitment, onboarding, and training costs
- Difficulty securing dependable entry- and mid-level workers
- Operational strain and overtime due to understaffing
- Need for workforce partners aligned with organizational values

Our Solution

OCE Workforce Access & Employer Solutions delivers trained talent to support production, fabrication, assembly, and skilled trades needs. Participants are carefully screened, supervised, and supported within a structured federal framework, with services delivered on-site or at OCE-managed operations.

Services We Offer

- **Skilled Workforce Access:** Production, assembly, fabrication, welding, carpentry, clerical, and administrative services
- **Workforce Stabilization:** Reliable staffing to support continuity and output
- **Talent Pipeline Development:** Evaluate workers before potential hire
- **Customized Workforce Support:** Align talent with operational and service needs

Why Partner with OCE

- **Reliable Workforce Access:** Trained talent supporting employer operations
- **Operational Stability:** Reduced strain, overtime, and turnover pressure
- **Values-Aligned Workforce:** Accountability, punctuality, and soft-skill readiness
- **Long-Standing Expertise:** Decades managing correctional work programs
- **PIECP Compliant:** Federal and state oversight ensures transparency
- **Dedicated Support:** Workforce development coordination for employers

Added Value

- Predictable workforce support that reduces recruiting burdens
- Real-world work experience strengthens reentry outcomes
- Helps meet skills-based and fair-chance employment goals

Let's Get Started
