DIVI

Solid Core Panel System

AN OPEN INVITATION

Divi delivers on all the positives of a 2" panel-based open plan, with remarkable flexibility and simplicity. There's a Divi solution for practically every workspace need, making it the smart, scalable answer for individual and teams across your organization. Linear trim offers a streamlined aesthetic for cohesive design detail.

WORKSTATIONS THAT WORK **EVERYWHERE** & CHANGE WITH EASE

In addition to far-reaching height and panel options, Divi provides tremendous planning flexibility. An innovative universal hinge allows you to create 90-, 120- and 135-degree configurations using a single platform, changing the look, feel and function of workstations to reflect the character and purpose of each space. Divi installs quickly, and you'll appreciate how easily your future workstation moves, adds and changes will be.

DIVI PANEL-BASED SYSTEM

Divi redefines the open plan.

Bring remarkable flexibility and simplicity into the open plan. Personalize any space with an inspiring menu of options while supporting a wide range of workstyles—from ad hoc teams to solo work. Then easily change your space as your needs shift. Divi makes it easy.

Cost-effectively Create and Customize

Divi offers monolithic panels that can be specified with a segmented look, as well as glass stacks, recessed glass for linear trim and optional inserts in embossed metal, laminate and whiteboard for a more modern, updated aesthetic. Add Calibrate® Series Storage and Day-to-Day® Tables for a highly integrated, functional space. Consider the Divi Gallery panels and screens to support user's privacy and wellness.

- Height options: 42", 50", 58", 66", 82"
- Width options: 24", 30", 36", 42", 48", 60", 72"
- UL® Certified, high-capacity 6" base raceway power
- SCS Indoor Advantage™ Gold certified for air quality
