

**Who is the builder?** Oliver Crossing is the latest residential community from **Habitech Communities**.

With over 38 years of experience building single-family homes and condominiums across Massachusetts, Habitech is a nationally recognized, award-winning builder and developer. To date, we've sold over 950 distinctive homes and established a tradition of excellence through thoughtful design and lasting quality. Recently sold-out communities include Chestnut Meadow in Southborough, Maspenock Woods in Hopkinton, and Croft Common in Littleton.

Our team is passionate about creating timeless homes, and client satisfaction is the cornerstone of our longevity. We collaborate with skilled craftsmen, trusted vendors, and homeowners to build not just a house, but a meaningful backdrop for comfort, connection, and ease at every stage of life. **We'll show you the way home.**

**How many homes are there?** Oliver Crossing is comprised of **62 duplex-style townhomes**, set in a treelined, walkable neighborhood.

**How many bedrooms are there?** Choose from **2 Bedroom + Office** and **3 Bedroom** floor plans, created with flexibility in mind.

**How many baths?** All floor plans include **2.5 Baths**.

**What is the occupancy date?** We anticipate welcoming our first homeowners between **year-end 2025 and early 2026**.

**How long will it take to build my new home?** Our Sales Director will guide you through the timeline and share an estimated occupancy date **based on the townhome you choose** and where it is in the construction process.

**Can I personalize my new home?** Yes, during the pre-construction phase, **you can choose from a selection of designer curated finishes**, including cabinetry and countertops, appliances, lighting and plumbing finishes, flooring, and paint! Personalizing an under-construction home depends on the construction status at the time of your purchase, and options may vary based on timing.

**What are some of the included features?** Open Concept 1st Floor with Hardwood Flooring • Quartz Kitchen with Island • GE Stainless Steel Appliance Suite with Electric Range • Electric Fireplaced Living Room • 2nd Floor Loft & Laundry • Ensuite Primary Bath with site-built Tile Shower and Glass Enclosure • 2 Car Garage • Low-Maintenance Exterior Materials • Finish Basement Options, some with Walkouts

**How are the homes heated and cooled?** By ducted heat pump.

**Do the homes have outdoor space?** Yes, each home includes a 12' x 12' rear deck.
